

Cross Country Jumping Clinic with Jane Braddock

Hosted by: The Stables Equestrian Center

- When:** Sunday, June 13th from 8 a.m. – 5 p.m.
Where: The Stables Equestrian Center
6489 51st Street, NE, Rochester, MN
Format: Group lessons, up to 4 riders per group (1.5 hour lesson which includes warm-up)
Cost: \$50/lesson (\$45 for current United States Pony Club members or alumni)
Who: This clinic is appropriate for beginner novice to novice level. Good outing for green horses and any rider looking to practice cross-country through varied terrain and over basic obstacles.
**Auditors welcome! Snacks/beverages provided.*

This clinic will emphasize the skills and knowledge required to ride successfully over cross country obstacles. Riders and horses participating in the clinic should have prior experience jumping obstacles. Riders and horses will be grouped into similar experience levels. Jane will work on safe rider positions, managing pace and balance over terrain, and understanding the aids needed to successfully navigate several types of cross country obstacles.

Jane will lead the groups through a warm-up and exercises to prepare for cross country before heading onto the cross country schooling field. This clinic is very beginner friendly offering Intro (jumps to 18"), Starter (jumps to 2'), BN, and Novice levels.

About Jane:

Eventing enthusiast, equestrian and business professional, Jane Braddock has been eventing over 20 years and helping students achieve their goals for over 10 years.

Accomplishments include:

- USEA Certified Instructor
- USDF Bronze Medalist
- From 1993 to 1998, founding member of the CSDEA Rider Development Program (RDP) Organizing Team, featuring Ralph Hill
- 1998 Finished Top 20 at Kentucky 3-day event CCN* (Long Format)
- 2001 CSDEA Intermediate Eventing Champion
- 2001 USA Area IV Horse of the Year Intermediate Reserve Champion
- 2001 Coached members of the Chronicle of the Horse Adult Team Championship, Novice Team to their first place finish

About the Schooling Fields: The schooling fields boast well-groomed, varied terrain including coops, logs, skinnies, ditches, and the option to cross a small waterway. Obstacles vary from 18"-3'.
